

JEWISH LIFE THROUGH THE PRISM OF DANCE

with Judith Brin Ingber, dancer - writer

Wed, August 31

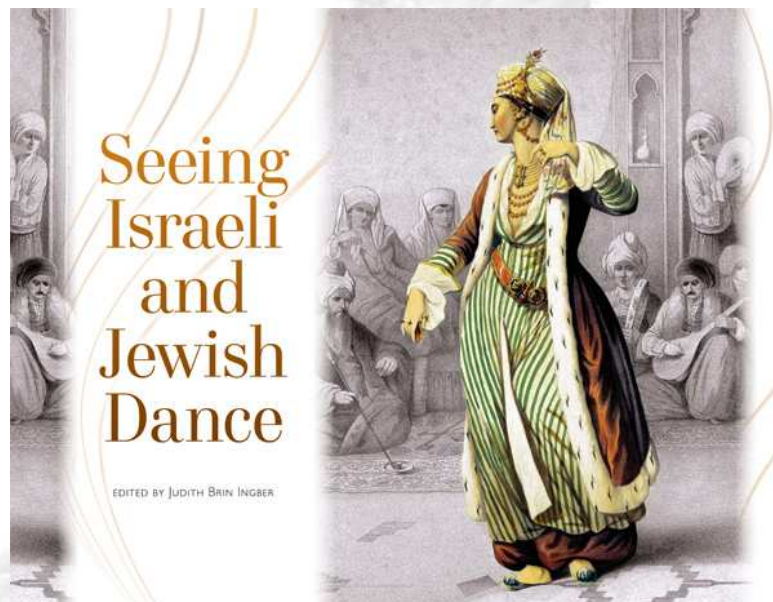

7:30 p.m.

at Hevreh of Southern Berkshire

“Using dance as a lens to look at Judaism is something fresh. That’s what I do in my new book
“Seeing Israel and Jewish Dance.”

Join us for an evening with Judith who will share rare photos and read selections from her book.

In addition, Judith invites the audience to get up and dance. All ages will enjoy the easy dancing which focuses on rich Ashkenazic and Sephardic wedding traditions highlighted in her book.
